

2ND QUARTER MEETING NOTES

Teacher Report:

Mellisa/Kindergarten: Everything is going great. The kids are so energized about learning and doing wonderful! They're so excited for their family feast coming up!

RoSho 1/2: Everything is going good. Working on math strategies. They are working on personal narratives and sequencing their ideas. They are working on figurative language and studying the states of matter in science. In social studies this year we are focusing on families and communities and working with maps.

Cindy: 3/4: All the students work so well together. We are looking through microscopes in science and children are loving that. In math we are looking at different angles and how it connects with fractions.

Matt & Linda- 5/6- We are working with fractions and geometry. Translation and reflection of shapes. Angles, different kinds of triangles. Understanding how the fractions relate to the metric system, place values with decimals. In science we are studying ecosystems and studying snails! In 6th grade math they are working least common denominator, subtracting fractions, and Math Wizz.

Linda has started her book club program. The 907 Bobcat Business will be at a show at the Denali Center this weekend from 10 -6. We can always use parent and student volunteers. They are selling flower bouquets for thanksgiving. Check the website or Boop page for more information. Please "like" the 907Bobcats page on Facebook!

Principal Report:

We are hoping to hear good news about the teachers contract. We have a new governor so are interested to see how he will use education in Alaska and in Anchorage. Mr. Freeman will be going to Juneau in March to advocate for public education. Bowman has 585 students so far this year and they are doing wonderful.

PTA Report:

We have a PTA meeting this Friday. We need volunteers for the concession stand. Thank you to all our carnival volunteers! We need pictures for the year book! Please send us pictures that you take! We need a 5th grade parent to do the moving ceremony. We need a 1/2 volunteer for battle for the books.

Treasurer Report:

Our participation rate for kindergarten/1st grade is 100% The bake sale is bringing in great fundraising money! We have a budget of 1800 to relocate to something since we aren't doing the renaissance reading program. We have motioned to put in the general fund.

Community Service:

Sara Paulson - Thank you for the generosity. The canned food drive is going great! We are supplementing our food pantry and then it goes to Thanksgiving families. We are going to help at

least 17 families this Thanksgiving and Christmas! The Barnes and Nobel book fair is coming up and we will have a giving tree for students, so please look for that tree when you go to the book fair. We will be helping more families at Christmas! Kids have made 30 boxes in 15 minutes from book buddies work! Wahoo!

New Business:

We sold 150 vouchers so we got \$604 with the Uncle Joe's pizza. The funds for this pizza voucher go to the general funds within BOOP.

Mini Courses Update:

T Barnett -

We are excited to add a few new courses. We are hoping to have our registration process online this year so stay tuned! January 31/February 1st will be the days for Mini Courses this year.

Winter Crafts:

Winter crafts this year is December 19th, 1-3:30. It's gonna be F U N!

5/6 Camp Fundraiser Update:

The smoothie fundraiser made almost \$2,000 for both days.
